We believe successful small business and economic development requires a village approach. A large part of the growth we continue to experience in sustained job creation and economic prosperity stems from the sharing of experience and knowledge of entrepreneurs who have overcome hurdles and seized opportunities.

We are excited to grow our coaching network at Mountain BizWorks, which has supported small business startups and expansions through our business learning and lending services for over 30 years in 26 counties in Western North Carolina. We fulfill our mission by engaging active and visible business owners equipped with the technical and adaptive knowledge required to navigate the everyday terrain of starting and growing a successful business in our region.

If you are interested in supporting our entrepreneurial community by becoming a business coach at Mountain BizWorks, we invite you to take the next step by completing the interest form below.
